Jhenaidha, Bangladesh

Summary

AI Engineer and Web Developer with expertise in machine learning, artificial intelligence, and full-stack development. Experienced in building intelligent systems and scalable web applications using Python, TensorFlow, React, Node.js, and WordPress. Passionate about solving real-world problems and creating innovative digital solutions through technology.

Education

M.Sc. in Computer Science and Engineering

Islamic University Kushtia • Kushtia, Bangladesh
05/2023
Relevant coursework included Machine Learning, Artificial Intelligence, Data Analysis, Natural Language Processing, Computer Graphics, and Advanced Database Management Systems. During the program, I worked on research-oriented projects and gained practical experience in AI and software development.

B.Sc. in Computer Science and Engineering

Islamic University Kushtia
03/2022
Studied core computer science subjects, including Data Structures and Algorithms, Database Systems, Software Engineering, Web Development, Computer Networks, and Operating Systems. Completed multiple academic and practical projects in web development, machine learning, and software engineering.

Skills

Python, JavaScript, C++, ReactJS, Node.js, MySQL, CSS, Tailwind CSS, HTML5, TensorFlow, Web development, WordPress, Machine Learning, Model Evaluation, Deep Learning, Data Analysis, GitHub, Problem Solving

---

Experience

Web Developer

CampaignSquat LTD
05/2022 - 03/2025
Worked as a Web Developer at CampaignSquat LTD, where I developed and maintained dynamic web applications using PHP and Node.js. My responsibilities included building backend features, integrating databases and APIs, optimizing website performance, fixing technical issues, and collaborating with the development team.

WordPress Developer and Trainer

Multimedia Academy • Jhenaidah
01/2019 - 02/2022
Worked as a WordPress Developer and Trainer at Multimedia Academy, where I developed and maintained WordPress websites, customized themes and plugins, and conducted training sessions on WordPress and web development. I also provided technical support and guided students in building real-world projects.

Languages

Bangla, English, Hindi, Urdu

Certificates

Python for Data Science and Machine Learning, Responsive Web Design Certification
